

HECAA Emerging Scholars Showcase

The Historians of Eighteenth-Century Art and Architecture (HECAA) invite emerging scholars studying art, architecture, and visual culture of the long eighteenth century (c. 1660-1830) around the globe, current graduate students (both MAs and PhDs) and those who have received their PhDs within the past five years, to participate in a virtual showcase to promote their research.

Each scholar will be given 3-5 minutes to present their work, followed by an open question and answer session. We will hold two sessions, one on Saturday, November 7, 2020 and one on Saturday, February 6, 2021, each lasting about 1.5 hours. Additional sessions may be added depending on interest. To apply, please fill out [this form](#). Applications are due by Sunday, October 11 at midnight (EST). Please direct any questions to Dani Ezor, dezor@smu.edu.
